Reading is the foundation for all learning. So what is the best way to help a child learn to read and understand what they are reading?

Lit 101: Building a Foundation for Literacy is a FREE two-hour training for volunteers who are working with students (or who want to work with students in the future) on reading at the elementary level. You'll learn key things to listen for and important questions to ask students. The training will assist you in understanding how to best help the students you are volunteering with.

- ❖ **United Way RSVP volunteers will receive first priority for registration. All volunteers welcome.**
- ❖ **Training will be limited to first 25 registrants.**
- ❖ **Deadline for registration is February 24, 2012.**
